

OUR DOCTORS

Dr Rasika Kotakadeniya

MBBS MS FRACS
General Surgeon

Languages: Sinhalese & English
No Gap Doctor

Rasika has over 20 years of experience in general surgery. With extensive training both internationally and locally, he credits his surgical experience in Sri Lanka as being immensely beneficial to his career. Cheerful by nature, he explains treatment options and provides personalised care in a manner that patients can easily understand. He has also served as a Senior Lecturer in surgery for 10 years.

Special Interests:

- Colorectal surgery
- Laparoscopic surgery
- Hernia surgery
- Thyroid surgery
- Skin cancer surgery
- Endoscopy and colonoscopy

Rasika earned his Bachelor of Medicine and Bachelor of Surgery from the University of Peradeniya in 1997, followed by roles in Anaesthesia, General Surgery, and as a Lecturer in Anatomy. He obtained a Master of Surgery in 2005, became a Member of the Royal College of Surgeons in 2007, and received his Australian Medical Council Certificate in 2010. In 2019, he was awarded Fellowship with the Royal Australasian College of Surgeons. Known for his approachable nature and expertise, Rasika offers personalised care, guiding patients towards the best outcomes with clear communication.

Rasika is available for Rapid and Direct Endoscopy services, enabling eligible patients to skip the initial consultation when appropriate, allowing for quicker investigation of digestive issues. As a no-gap provider, he ensures privately insured patients with adequate cover avoid out-of-pocket costs, apart from possible anaesthetist fees. With over 10 years' experience as a Senior Lecturer in Surgery, he actively trains junior doctors, supervises registrars, and serves as an examiner. His work has been published both locally and internationally.
